## Are You Prepared?

If you live in a disaster-prone area, you can take certain steps before disaster strikes to help ensure the safety and well-being of your pets. Responsible dog owners should have certain supplies on hand year-round in case of an emergency evacuation due to disaster. Keeping these supplies packed together in a convenient location will be helpful if you and your loved ones need to evacuate.

The American Kennel Club® recommends the following supplies:

-  ***Leash and collar with ID tags attached***
-  ***Medical health records including a current vaccination record and rabies tag***
-  ***Photocopy of AKC® registration papers***
-  ***Recent photo of your pet***
-  ***At least a three-day supply of food, medication and water***
-  ***Food and water dishes***
-  ***Blankets or bedding***
-  ***Crate***
-  ***Favorite toys***
-  ***Plastic "pick-up" bags***

The American Kennel Club also recommends permanent identification for your dog, such as a microchip or tattoo and enrollment in the AKC Companion Animal Recovery database. Keep this identification information with your other pet emergency supplies. Permanent identification will help reunite owners and their dogs and is especially important in a disaster-prone area.

For more information about disaster preparedness plans, please contact AKC Communications at [communications@akc.org](mailto:communications@akc.org).

# In Case of an Emergency

Who would take care of your dog if you were hurt and unable to do so? To make sure vital information regarding your dog is easily accessible to others, take a few moments to fill out this emergency information sheet.

List two or three people as contacts in case of emergency. Include the contact's name, address, and telephone number. Make sure at least one of the contacts has a set of your house keys.

You may also want your attorney to draft a written statement, which gives immediate custody of your dog to a designated individual with that individual's consent. Notify that individual of his or her responsibility, and put his or her name, address, and phone number on your emergency information sheet.

Attach a recent photo of your dog to the information sheet to help others locate your dog if it should wander off.

Put the information sheet on your refrigerator or other prominent spot in your house. You may also want to keep similar information in your wallet. If you are unable to care for your dog due to an accident or emergency, someone will be able to follow the instructions on the sheet to provide necessary care.

People take pride in a clean community.

Barking dogs can become a nuisance to the neighborhood.

People appreciate well-mannered dogs who are under control.
