This summary represents all points earned through the end of this year with the exception of the points earned 2014-2015 for the current Officers and Board members. Those points will be applied and published in the March 2015 newsletter.

This summary presumes that all members involved in the Fall Show and the Agility Trial will not change.

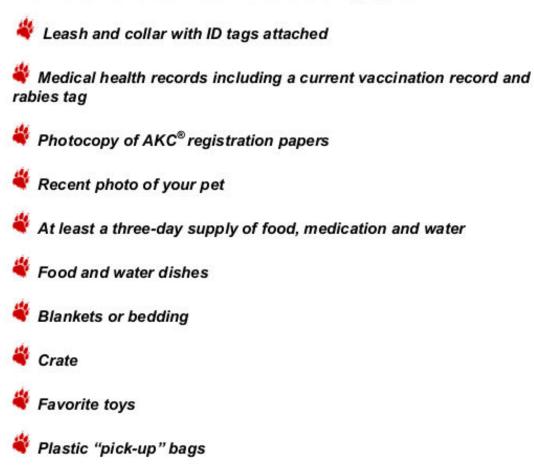

Are You Prepared?

If you live in a disaster-prone area, you can take certain steps before disaster strikes to help ensure the safety and well-being of your pets. Responsible dog owners should have certain supplies on hand yearround in case of an emergency evacuation due to disaster. Keeping these supplies packed together in a convenient location will be helpful if you and your loved ones need to evacuate.

The American Kennel Club[®] recommends the following supplies:

The American Kennel Club also recommends permanent identification for your dog, such as a microchip or tattoo and enrollment in the AKC Companion Animal Recovery database. Keep this identification information with your other pet emergency supplies. Permanent identification will help reunite owners and their dogs and is especially important in a disaster-prone area.

For more information about disaster preparedness plans, please contact AKC Communications at *communications@akc.org.*
